MEELICK SPEEDY AS EVER.

GETS A BAD START BUT DEFEATS SOME FAST SPRINTERS IN FINE STYLE.

New York Owners in Luck When Yanke Daughter and Niblick Win-Penn Sold

to D. S. Fountain.

San Francisco, Cal., April 8.—Meelick, the frequent Derby winner of 1908, made his first appearance in fourteen months on the last rack foots are all three-year-old of last spring has been in retirement for a year and his most recent races at Santa Anita were below par. Therefore, layers and players alike ignored his pretensions in the last race, despite such inferior opposition as Early Tide, Cloudight, Jeanne d'Arc, Purse Rose and Patricia R. Despite a bad start Meelick practically dominated the running throughout. When seemingly certain of victory in the final sixteenth he was suddenly and unexpectedly menaced by the despised outsider, Early Tide. Meelick's better class asserted itself, however, and he drew away and won amidst the plaudits of the 6,000 turf enthusiasts present.

Two New York owners, T. D. Sullivan and James Boden, were represented by the winners. Yankee Baughter and Nibilck. Both were at incrative odds. The former's victory was most sensational.

Philip J. Dwyer's former good colt, Sir John, also ran an extraordinary race just before that.

The racing began and ended with winning putilic choices. The control of the sullivance of the control of the protections were in favor of the layers. The weather was perfect, track faster than in four months and entusiasm at fever heat. The proverbial blaze of glory aptly describes the winding up of the glorious sport in this state.

The electric battery incident in connection with the recent Colonel White coup is closed.

W. A. Kirwan left for Barney Schreiber's Woodlands stud farm in Missouri last night.

Jockey Gilbert has quit riding for a while.

H. T. Griffin, having disposed of his Santa Anita acers, has returned to Oakland to seil out his local stable.

T. E. Crist will race eight horses at the coming Victoria meeting for Barney Schreiber.

S. C. Hildreth is making overtures looking to the re-engagement of

In season:

H. G. Bedwell will divide his big stable this summer. One division will be raced at Sair Lake City in charge of W. H. Spence, Bedwell himself will take the pick of his horses to the Denver meeting. Penn has changed hands, D. S. Fountain has just bought him from J. D. Milliu.

INTEREST MAINTAINED AT JACKSONVILLE.

Jacksonville, Fla., April 8.—Results exceeded expectations at Moncreif Park this afternoon. The program offered was an ordinary one, but as the fields in the different races were tade in the about the same grade, good contests recibe enough to be exciting and in two ordinary one the same sparaged that winner same the program of the races being led enough to be exciting and in two ordinary one to be exciting and in two ordinary ordinary or the races and this put the large crowd present in a lappy frame of mind. The weather was ideal for outdoor sport and the track was in good condition. A neculiar feature of the racing was that every winner came to the extreme outside when entering the homestretch and finished right under the judges stand. One of the attractions was a breeders' purse, the second of its kind run during the week. Precedence proved best of the band that went to the bost in this affair, but her victory was a hard earned one. Four of the seven starters that went to the post in this race passed the winning mark aligned. The erratic Spangled Banner refused to join her opposition when the start came and wheeled just as the barrier was sprung. She was again placed on the schooling list by the starter and will kely be kept there for the remainder of the meeting.

ilikely be kept there for the remainder of the meeting.

Several stables racing here will be shipped direct to Toronto to await the opening of the Ontario Jockey Club's meeting. The application of the Ontario Jockey Club's meeting. The application for number of horsemen for stable cought Plunles have been turned down and, according an original to report, the Maryland Jockey Club has received an original to report, the Maryland Jockey Club has received an opilication for room for 500 more horses than it could find accommodations for. There are only 600 stalls at the Finilico course and every one of them was spoken for months aro a local turfman William P. Riggs said that there were circhty-five impures in training at Pinilico tals spring, and that steepleclasing would be strongly featured at the coming meeting. James Milton has been asked to act as starter at the meeting to be held at Brookline, near Boston. Milton will probably do most of the starting at the Hunt Club meetings which will be held in the east next summer.

ROSEBERY AND THE REFORMERS.

When Earl Rosebery was prime minister of Great Britain he was also the owner of not a few great race horses of his own breeding, with which he was fortunate enough to win the Derby and other famous events. He was assailed, of course, by those who assume the right to reserve space in the bottomless pit for such misguided persons as do not accept the assailants as the entire law and gospel. He was told that he was "in league with the forces of evil"—evil being anything they did not approve of—and railed at as "an upholder of iniquity." Now, the mobie earl, having the advantage in the fact that he knew what he was doing, did not concern himself seriously over the hysterical outbreaks. A correspondent who directed his attention to one of these attacks received the following reply:

"Sir—I am desired by Lord Rosebery to thank you for your letter and its enclosure. He will offer no opinion on the latter, for these matters should be dealt with according to the good taste. Christian charity and knowledge of facts possessed by each letter of the most accomplished Englishmen of the time. He considers it lacking in Christian charity to abuse him for breeding and owning a great race horse. So, probably, do more than eight injured by denunctation of the turn is personages who patronize and support it, whether Earl Rosebery in England or Earl Grey in Canada, or the king limself.

TWO AMERICAN WINNERS IN FRANCE.

At St. Cloud, near Paris, Tuesday, W. K. Vanderbilt's crack of last season, Northeast, won the Prix de Palaiseau from Nash Turner's Pillard. Turner was a crack American jockey a few years ago and went to France with Eugene Leigh. Northeast made his first start this year in the race. He had no been out since finishing unpheed behind his stable companion, Sea Sick, in the President's Prize at Maisons-Laffitte. Before that he had won the Grand Prix de Paris.

Monday, at St. Ouen, near Paris, George Saportas' Braggart won the Prix L'Arliege, worth \$1,000, under Kermath. a French steeplechase rider. Braggart raced in the Saportas colors in this country last season and is a four-year-old chestnut gelding by Boanerges—Gelida,

HARRIGAN RUNS A FAST MILE.

Santa Anita Racing Attracts a Large Cro Meeting to Terminate April 17.

Meeting to Terminate April 17.

Los Angeles, Cal., April 8.—Starter Dwyer set down jockey Peak for the rest of the meeting today for incompetent riding.

J. J. Hyland shipped his horses east tonight, but sold Fielder to James Arthur, who will race the horse here until the meeting ends.

It was announced today that the meeting would end Saturday, April 17.

All of the officials for the meeting at Salt Lake City, which begins May 22, will be decided upon here next Sunday at a meeting of the promoters. One of the largest mild-week crowds of the weether. Most of the easterst mild-week crowds of the weether. Most of the easterst working to the surface where the promoters of the easterst working to the surface where weether. The track was lightning fast today and very fast time was registered throughout the day. Harrigan's splendid flight in the fifth race at one mile was greeted with loud cheers as he easily passed over the line in front of Glorio. The Braudt colt was at his best and it was thought that had he been pressed throughout the race, he would have broken records. As it was, he displayed dazzling speed all the way, having things all his own way and was never seriously threatened. His time was close to the mile record mark. Glorio was an easy second over Norbitt.

Phil Chinn sprung a good thing on his friends here in Pretension, but the old gelding ran a dult race and showing scant speed after getting off flying, had all he could do to finish a poor third, the way home.

Barney Schreiber's contract for first call on the same and the rider has affixed his slomature to a contract to ride for August Belmont. The stewards here have given Powers a clean bill of health and he will leave April 12 for New York, whence he will sali for England.

Twelve horses belonging to Barney Schreiber were today shipped to San Antonio. Tex. The stables of C. B. Daniels and Powell Bros, have also been shipped to the Chinn establishment at Harrodsburg. Ky.

"LUCKY" BALDWIN'S WILL PROBATED.

Los Angeles, Cal., April 8.—The will disposing of the millions of the late E. J. (Lucky) Baldwin was probated at Los Angeles Wednesday. H. A. Unrub, business manager of the famous turfanan, as executor, testified as to the making of the will, the soundness of Baldwin's mind, and his freedom from was signed. November 4, 1908.

Mr. Unruh fixed the value of the real property at from \$20,000,000 to \$24,000,000 and the personal property at \$127.500. The net income from the property, said the executor, has been only \$10,000. Attorneys for Mrs. Lillie Bennett Baldwin, the widow, and Mrs. Zelda Selby, a daughter by another wife, were in court, but took no part in the proceedings. The attorneys declined to make public any of the details of the settlement with Mrs. Selby and with the widow. Mrs. Baldwin, of San Francisco, which averted a possible contest of the will.

The bond of the executor was fixed at \$275,000.

NEW YORK STAKES IN PREPARATION.

New York. April 8.—Having settled upon the dates, the Jockey Club's racing associations will now lose no time in preparing a list of stakes to attract entries from all classes of horsemen. It is expected that the overnight purses will, which we exceptions, exceed \$500 in value, while \$1,000 will be about the average sum added to the stake events. It is possible that if the Brooklyn and Suburban Handicaps are run the added money may amount to \$5,000 in each instance, while the same may be said of the Metropolitan Handicap at Beltmont Park, which will probably be the feature of the opening day.

BOOKMAKER BOASBERG AT MEMPHIS.

Bookmaker Mark Boasberg, also known as Jack Sheehan, who was one of those sentenced to a jail term for taking part in the "test" race at Suburban Park last December, is at Memphis and says he will not return to New Orleans.

He may be forced to return and should he be, may not escape as easily as W. W. Lyles and the others, who did not run away and did not talk so much as Sheehan, who still insists that he was promised immunity.

VALUABLE BROODMARE DIES.

Lexington, Ky., April 8.—Through the death of Young Princess, at Woodburn Farm today, Irving H. Wheateroft lost a valuable thoroughbred mare. Young Princess was by Hanover—Princess Istra dam of Goldcrest, Splendour, Gay Parisian and Lady Molly, Young Princess was the dam of Petit Duc.

NOTES OF THE TURF.

Pat Dunne will ship his entire stable now racing in California to Churchill Downs after the close of the Oakland season.

The steeplechase jockey, Savage, has arrived at the Pimlico track and will ride this season for Dr. Kerr of Chester, Pa.

French turf critics are favorably impressed with the riding of Dave Nicot, the American Jockey now under contract to M. de Rothschild.

English training reports say that Sir Martin is working satisfactorily and has taken on considerable flesh since he began his exercise gallops.

There are now over 400 horses quartered at old Churchill Down's course at Louisville, Ky., the prospects for a good meeting are of the best.

Went to post at 1:46. At post 3 minutes. Start good. Won cantering: second and third driving. Waldo ran into quick forward pursuit of the pacemaker, drew out decisively midway of the stretch and is a coming crackerjack. Harry Grothe, from a flying start, led to midway of the stretch and tired badly finally. Gelico ran forwardly and persistently throughout and was second best. Fusileer steadily improved his position into a close fourth. Lumen had a rough journey and made a fast finish. Sporting Life had a bad start and closed a gap. Twin Screw was away very badly.

Went to post at 3:33. At post 1 minute. Start good. Won easily; second and third driving. Niblick, from a fair start, was reserved in nearest pursuit of the pacemaker to the stretch, then drew out and won as his rider pleased. Gargantua ran in striking distance of the leaders from the start and was a fast going, but swerving, Second. Seracinesca outbroke and outpaced his opposition for seven furlougs, but tailed to stay. Aftermath met early interference and closed up steadily in the last half sinto a fast going fourth. Coppers was outpaced and held forth in the rear early, then closed a gap. Meelick, in rare form, from a slow start ran into quick inside forward contention and, forcing the pace practically throughout, outstayed a late challenge from Early Tide. The latter, suddenly improved, ran mexpectedly close up and was a persistent contender to the end. Cloudlibut showed great speed in pace-making, but tired in a game final effort. Geo. A., St. Louis, Mo. Since Rocky O'Brien ran
third you could not win a place bet on him.

G. W. L., West Pullman. Parlays are decided
strictly by the running of the hores named.

J. C., Chicago. The Santa Anita track was good,
but not at its fastest when race So724 was run.

Frank L., Chicago. The bet should be paid unless
the bookmaker operates under the rule that added
starters run for his book and you knew such to be
the case.

the bookmaker operates under the rule that added starters run for his book and you knew such to be the case.

E. T. D., Cincinnati, O. A wager straight and blace on Sir Ashton won straight and was a draw place, except where the bookmaker operates under the rule that added starters run for his book. In that case it would lose straight and be a draw place, the latter because there was no separate place price against him.
